

## Member Benefits

### Membership:

When you join the VAFP you will gain a local support system committed to helping you save time and money while practicing smarter and staying informed. Your membership is not only a commitment to your colleagues and the well being of your specialty, but more importantly, it is an investment in your career.

As a member of the VAFP, you'll benefit from:

- Easy online CME reporting, tracking, and planning
- Discounts on evidence-based, family medicine-specific CME
- Access to the VAFP's dedicated staff to answer your questions
- Award winning quarterly magazine keeping the member up to date on important activities affecting family medicine including periodic e-mail updates that contain time sensitive information pertinent to the daily practice of family medicine
- Online registration for all VAFP events
- New social media content to keep members connected with the Academy
- Cost effective VAFP's dues structure offering the second lowest active members dues in the country for chapters with over 1,000 active members

### Advocacy and Representation:

VAFP leaders and staff are working to promote the specialty of family medicine at the state level. We advocate before policymakers, legislators, the media, patient organizations, and allies to represent your interests.

Members of the AAFP and VAFP are rewarded with valuable membership benefits, including:

- Legislative representation that defends the scope of practice for family medicine from external threats, explores legislative opportunities for incentivizing the practice of family medicine, and raises the VAFP's profile as a key player in Virginia's government affairs through an effective Political Action Committee and Key Contact Program
- Representatives diligently working on your behalf in Richmond
- Representation of family medicine by VAFP leaders serving on important government and regulatory entities

### High Quality Continuing Medical Education (CME):

- Significant member discounts on top-notch, practice-relevant CME to improve patient outcomes including the VAFP's nationally acclaimed group Self Assessment Module (SAM) sessions and the nationally acclaimed premier Annual Summer CME Meeting & Exposition and Winter Ski Family Medicine CME Weekend
