

## Flat Fee Pricing for Legal Services

The Virginia Academy of Family Physicians (VAFP) and K. Marshall Cook, Esq. have partnered to develop flat fee pricing packages for the review and possible negotiation of your employment agreement. When you are offered employment, you can compare packages and decide which fits your needs. The one-time flat fee ensures you will never overpay or be concerned with your bill when the attorney is being paid by the hour. If you decide you want to upgrade to another package, you'll only have to pay the difference.

Please circle your package selection and sign your name. Once complete, mail this form and full payment for your package selection to: **K. Marshall Cook, Esq., 304 River Road West, Manakin-Sabot, Virginia 23103.**

The proposed employment agreement for review is preferred in Word format. The contract should be emailed to **marshall@kmarshallcook.com** or mailed to: **K. Marshall Cook, Esq., 304 River Road West, Manakin-Sabot, Virginia 23103.** Don't forget to include all documents pertaining to the agreement (exhibits, addenda, etc.).

### **Package 1: \$400 Contract Review**

- Mr. Cook will do a line-by-line review of the proposed employment agreement and return a mark-up of the agreement. Any follow-up questions will be received and answered by e-mail.

### **Package 2: \$500 Contract Review & Follow-Up**

- All the services in Package 1 are included. In addition, Mr. Cook will schedule time to discuss his recommendations with you by telephone and answer any questions.

### **Package 3: \$900 Contract Review, Follow-Up, and Negotiation**

- All the services in Packages 1 and 2 are included. In addition, Mr. Cook will negotiate your contract for you, by telephone, with your new employer. You will be updated on developments throughout the process. Every draft of the agreement will be reviewed with you along the way.
